2021-22 Grant Application Process

Notice to all applicants:

At this time of great need, the MOUMS Board of Trustees voted to extend the 2021-22 Grant Application Submission deadline to June 1, 2021.

With the extension, MOUMS hopes to be better able to support the work of its future grantees.

Please email any questions or concerns about this year's grant application process to grants@moveonupms.org.

The following grant application requires all applicants to submit a detailed account of their initiative's mission, proposal, and budget. Complete applications must be sent by mail or by email.

- Emailed forms must be received at grants@moveonupms.org in PDF form by 11:59pm on June 1, 2021. Multiple PDF files will not be accepted.
- Mailed copies must be postmarked on or before June 1, 2021.

Following the grant deadline, the MOUMS Board of Directors will meet to consider grant awards. You will be notified of the MOUMS board's decision regarding your final grant proposal once the results have been tallied. MOUMS will offer funding for its grant awards in two tiers, which consist of one category for smaller-scale projects (\$0 to \$4,999) and another for larger-scale projects (\$5,000 to \$15,000).

MOUMS's funding awards will be based on the anticipated impact the submitted programs have on children in the service area. Funds may be awarded in only one tier if that is the best use determined by the board.

If you have questions concerning any portion of this grant application, please contact MOUMS's project manager at grants@moveonupms.org.
